\*The organising committee reserve the right to combine bow types and/or genders if final entries do not allow for a competitive environment.

\*The organising committee may contact archers to change categories if there are an insufficient number of competitive archers within their chosen category.

- **Eligibility**

Any member of Archery GB or a World Archery association is welcome.

- Members must have either a World Archery classification (National or International) or be a member who considers themselves to have a disability.
- Athletes must bring their World Archery classification card, or other evidence as appropriate if they are competing in a WA classified event.

## Special Note

- Please ensure that the organiser is aware of any specific requirements you have. Please do not assume we already know.
- Archers who are unable to get the target are asked, if possible, to arrange for an assistant to aid in scoring and arrow collection.
- Programme athletes are reminded that they train and compete under their athlete agreement and related code of conduct for the duration of their time on an AGB programme.
- World and European para records can only be claimed by Para classified athletes.
- All athletes can claim able-bodied, World or British records in line with the World Archery and Archery GB rules.
