You can also add a description to the web site about your club.

The information we have for you is as follows (we suggest about one hundred words length is appropriate):

Club Description

Andover Archers is a friendly club open to archers of all abilities. We run regular beginners courses and cater for archers from complete beginners to experienced archers. Andover Archers also have a thriving junior club in addition to a disabled archers club. The facilities we have are second to none, with an outside shooting range accommodating shooting from 10 yards up to 100 yards. We have an inside shooting facility with all amenities. Both the outside and indoor facilities are open to members 24 hours a day, 7 days per week. We would welcome enquiries from anyone interested in joining our club or in archery in general.
