Troubleshooting

My Cursor turns grey with a no entry sign when I try to click on a 'Score 1/2/3' item

- This indicates that your basic membership hasn't been completed, check the details in the right hand side of the window, click 'next' at the bottom right to proceed to the club/county/region screen, ensure these details are correct then click 'next' to proceed to the score entry screen. Remember to click save when you have completed the score entry.

I haven't had to shoot a particular round in the H2H at my event

- Leave the box blank, the shoot may start at the 1/16 round instead of the 1/32 round, in this case you would leave the 1/64 and 1/32 round boxes blank.

I don't have a sport80 login

- Go to <https://agb.sport80.com/login> and click 'Don't have an Account' then, once you have created your account, click 'Add Membership' to add your Archery GB membership details and also add your first score entry.

Archery GB is the trading name of the Grand National Archery Society, a company limited by guarantee no. 1342150 Registered in England.
