

The Archery GB **Club Development Programme**

Application to join ontarget

1. Introduction

ontarget is Archery GB's club development programme.

ontarget is a tool for archery clubs to provide a structure for developing the club, ensuring archers keeps coming back by giving them a quality experience and ultimately growing the sport for both existing and new members.

For more information on and the benefits of joining the ontarget programme visit the Archery GB website - www.archerygb.org/ontarget

Please note every question is mandatory and any data not supplied will delay the club's entry onto the programme. The information you supply will enable us to provide a better service to your club.

You are encouraged to print off the questions and discuss with your committee and/or members. A copy can be downloaded [here](#).

If you have any questions or comments please do not hesitate to contact us via the details below.

7. Specialisms

Once you have joined ontarget, the next phase is to consider which of the specialisms your club could achieve.

To help us provide the right support which specialisms would fit your club please answer the following.

Further information can be found on the website - www.archerygb.org/ontarget

* ontarget club specialisms recognise and reward clubs that are already working hard in, or want to develop, specific areas of the sport. We feel that this element of the programme will support the long term development of the sport locally and aid clubs when planning for the future.

Please tick which of the following specialisms currently fits your club's situation or an area you would like to improve.

- Community - Want to get more people involved in our wonderfully inclusive, social, family-friendly sport? Then consider achieving the 'Community' club specialism.
- Young People - If archery is to grow, we need to get young people of all abilities involved. Clubs already play a vital role in that, but if your club wants to develop that further, it's worth considering achieving the 'Young People' club specialism.
- Performance - A 'Performance' club is not just about archers. It is about coaches, judges, volunteers and club officials too. A performance club understands the need to help them all develop by creating opportunities to train, build on skills, achieve their potential and satisfy goals.

The ontarget specialism brochures are available to download from the website: <http://www.archerygb.org/clubs-facilities-development/clubs/specialisms/>

Hard copies can be requested by emailing ontarget@archerygb.org
