World Record Status

Tournament Application Guidance

World Record Status (WRS) tournaments must have a Regional judge (or higher) in charge and a National judge (or higher) in charge of Head to Head events.

Archery GB should be informed, as soon as convenient, of any changes to details in part 1 or 2 of this Application.

Refunds are not available for cancelled tournaments; however, minor changes might be approved and be subject to an admin charge. Archery GB tournament details will be published in Archery UK and at www.archerygb.org.

If applying for WRS for the first time, please include copies of a previous tournaments entry form, target list and result sheet.

To avoid disappointment, applications must be received by Archery GB at least 4 months prior to the tournament date for approval. Archery GB will confirm receipt of applications to the Tournament Organiser within 2 weeks by email. If you have not received confirmation within this time; please contact us. Once Record Status has been granted (usually within 6/8 weeks), Archery GB will forward the tournament monitoring and the record/award claims paperwork for you, the judges and the archers to complete during/after the competition. This paperwork can be download from www.archerygb.org aswell.

World records are available at www.archery.org, European records are available at www.archeryeurope.org and UK records are available at www.archerygb.org

Tournament Organisers should be familiar with SAP 3, the relevant rules for the rounds being shot, the Tournament Organisers Handbook and the incident notification guidelines associated with Archery GB's insurance liability cover.

Organisers of World Record Status Tournaments must have previous experience of running UK Record Status Tournaments or above.

Where reasonable, tournaments should accommodate the needs of disabled archers.

World Record Status applications also include UK Record status for applicable rounds.

All ranges must be registered in accordance with the range registration process.

5 APPLICATION CHECK LIST

| | | | |
|---|--------------------------|---|--------------------------|
| Part 1, Tournament details complete | <input type="checkbox"/> | First time applying for World Record Status (additional paperwork required) | <input type="checkbox"/> |
