ontarget Club Competition

A CLUB VERSUS CLUB CHALLENGE

The 20209 **ontarget** Club Competition is now open and accepting entries.

All **ontarget** clubs¹ are welcome to enter this competition which comprises of a series of knockout rounds and a Finals event, the **ontarget** club competition will allow you to meet new people from clubs you may not have come across and opens up the opportunity for team bonding, fun and the chance to experience archery in other parts of the country. The winning club will receive a trophy and prize money. Runners up will also receive a trophy and prize money.

Format

The **ontarget** Club Competition is a knockout team competition where clubs host or travel to a match. Clubs are initially drawn with others from their Counties or Regions to minimise travel.

Matches take 2 hours and will consist of 3 rounds of 2 dozen arrows, with archers shooting ends of 6 arrows. Each round sees the team shoot as Team, a Pair and finally as an Individual against the other team's archers.

Categories

Each team consists of four (4) archers, be of mixed gender, and archers should be 14 years old or older.

There are two categories:

- Compound & Recurve – shooting at a distance of 50m on an 80cm face.
- Barebow & Longbow – shooting at a distance of 50m on a 122cm face.

Losing teams in Stage 1 may be entered in a repechage, where depending on the number of clubs involved, a separate tier will be organised. With the finalists also being invited to attend the Finals event at Lilleshall.

Social

An important, and welcomed, factor of the competition is the social aspect. Home teams are encouraged to provide refreshments, and a chance to socialise with other archers and clubs.

In the past clubs have welcomed more than the opposition team, and allowed other archers to come, shoot and socialise. This is to be encouraged, however should not interfere with the timing of the match. A key part is to keep the match to approximately 2 hours.

¹ Schools clubs, university clubs & those with ten or less archers are not eligible.

Entry

ontarget clubs are now invited to take part.

Entry is £30 per team. There is an early bird offer of £15 per team for entries submitted before 31 January 2020. Entries are only accepted on the Sport:80 website - <https://agb.sport80.com> - and this can only be done by the club secretary or those with club access.

Clubs are encouraged to read the *ontarget* Competition Rules 2020 document before entering a team.
