

Hosting Archery GB Competitions 2020

Applications are invited from clubs, Counties or Regions associations to host the below listed events in 2020. Competition hosting requirements are outlined in this document.

All Competitions must fit within the 2020 calendar on the nominated weekends:

- UK3D Championships May 2/3
- Junior Masters May 16
- UK Disability Championships May 16/17
- British Field Championships May 23/24
- Youth Key Event 2 weekends available. June 20 and XXX One in south / Midlands one North
- National Flight Championships XXX
- National Clout Championships October XXX

The format of the competitions is to be UKRS / WRS and in line with the event prospectus.

- Entries are to be managed on Archery GB's membership competition entry portal (more info available on request).
 - All entries will be subject to the Archery GB Terms & Conditions, which must be followed for cancellations or changes.
- The event logo is to appear on each entry prospectus
- All opening dates must be agreed with the Archery GB Events Manager and will be published on the Archery GB website in advance.
 - From experience, we recommend that entry is open four months prior to the competition.
- It is mandatory that the competitions are scored on IANSEO software, so that full and immediate results and standings will go live onto the internet.
 - AGB will provide Ianseo training courses for host clubs
 - Clout and Flight are excluded from this.
- Archery GB will appoint judges for all Championships.
 - Judges for the Youth Key events are the responsibility of the host club to organise.

- There should be an effective public-address system and we would like you to consider playing music while archers collect their arrows from the targets
- The use of A-Frame stands is not permissible at these events. All frames must be H frame style. It is preferred that foam targets are used if possible
- Archery GB will provide event branding to the host that must be displayed at the venue as required.
- An area for any Archery GB Sponsors is to be provided if they wish to come and display.
- We would like you to seek local publicity and sponsorship of your competition.
- The AGB Competitions team can provide the following equipment and services towards your event. there is a hire charge for some of these services.
 - Management of entries and waiting lists on Sport 80
 - Target list allocation to your specification
 - Set up of all lanseo files including online
 - Back numbers printed and delivered on tear proof paper and pins
 - Provision of a results team leader for the weekend
 - Delivery of a full results service
 - Supply of the AGB score system (PDA's)
 - Supply of the AGB flippy boards
 - Loan of target nappies if required
 - Loan of a Sound System
 - Loan of a Danage Timing System

If your club, County or Region would like to apply to host a National Competition in 2020 please complete and return the below form no later than 1 October 2019.
