If parents/carers have any particular concern about their child/young person being photographed or filmed they should notify the organisers.</p> <p>Please note in line with the Photographing & Filming Children & Young People in Sport policy you may be required to obtain written permission from the subject and/or their parents/carers to publish images on the internet or in print.</p> <p>Archery GB reserves the right to decline entry to any person unable to meet or abide by these conditions.</p> <p>If you are concerned about any photography taking place at this event, please contact the tournament organiser.</p>
Special notes	<p>Archers who are unable to get to the target should discuss their requirements at least two weeks before the competition with the organisers, please note if this isn't done, a solution might not be available on the day.</p> <p>Please expect music to be played at a low-level during shooting</p> <p>Space is limited in the hall and as such the front row of chairs will be dedicated to those Juniors competing in the current session. Parents and supporters must occupy the chairs behind. Please do not be offended if you are asked to move by the Judges or Work Party, otherwise we may ask you to leave the hall entirely and it puts at jeopardy the number of supporters we will allow into the hall next year per competitor.</p>
