2021 WORLD CUPS, 2021 EUROPEAN CHAMPIONSHIPS, WORLD  
CHAMPIONSHIPS AND  
TOKYO OLYMPIC GAMES - 23 JULY-8 AUGUST

## Context.

During the Archery GB selection process for the 2020 Tokyo Olympic Games, the Covid-19 pandemic took hold and led to the postponement of the 2020 Olympic Games until July-August 2021.

Therefore, the AGB Olympic selection process was only partially complete before the national and international shutdown and the postponement of the Olympic Games, with 3 women fulfilling the score criteria and able to be nominated to the BOA, and 4 men remaining eligible for the necessary selection shoot.

Based on these two circumstances and the fact that the medal target remains the same, it was determined that this necessitated an update to the selection policy to enable the selection of a team that maximises Archery GB's medal opportunities.

## Overview of changes:

The changes are based on consultation with key stakeholders and achieving the medal target and incorporate 4 principles:

1. Ensuring that the revised policy is fair, consistent and still provides an equity of opportunity
2. Honouring the scores that have been achieved within the selection window
3. Being able to nominate at the earliest opportunity for the 6 Games quota places spots we have already secured
4. Maximising the opportunity and time to spend working with the nominated athletes for the Games
5. ***Due the extraordinary national and international circumstances and the uncertainty as to archery returning to domestic and international competition normality, it is proposed to revise the existing Olympic selection document regarding Reserves with the addition of a Standby status.***
  - a. 3 standby athletes per squad (m/w) will be nominated to maintain form and fitness over the coming year.
  - b. 1 male standby will be the athlete coming 4<sup>th</sup> in the Men's selection shoot. This athlete will also be nominated as the first Reserve. (Male standby athletes may be directly or indirectly involved

- in the selection shoot in order to provide further international level competition exposure and experience.)
- c. As per the existing selection document, the National Coach will make recommendations to the Director of Sport and the independent arbiter/s for the 5 remaining standby positions. These will continue to be based on objective competitive performance standards on the international stage and athletes contributing to the international competitiveness of the team.
  - d. These athletes will be invited to accept the opportunity/status and required to agree with the Performance Director and National Coach and then follow the necessary training/competition programme commensurate with achieving the necessary performance levels. This plan and commitment will be reviewed on an agreed basis.
  - e. All standby archers to be invited to train as part of the Olympic Squad and will be invited to attend agreed international competition opportunities.
  - f. Through the above (c-e) process and in meeting the above objective standards, 1 woman standby athlete will become the first Reserve.
  - g. All Standby athletes remain eligible for nomination to the BOA for selection to the Tokyo Olympic Games up until the 05/07/21, should any of the athletes selected by the earlier selection processes be deemed not to comply with Stage 3 clause 3 of the 2020 selection document.
  - h. Timescales are to be determined once WA has announced a return to competition and the international schedule is known.
  - i. The final date for the BOA's Sports Entries is 5<sup>th</sup> July 2021.

The following is the revised selection process for the 2020 Olympic Games, taking place between 23 July and 8 August 2021.

invitation to  
the Selection  
Process**

**1. Registration and Performance Tracking**

Minimum standards are set for entry into the selection process.

Archery GB will track the performance trajectories of athletes in line with *what it takes to win* on the Olympic stage

- 1.1 Athletes can register scores and performances achieved between 21 March 2019 to 9 March 2020 in WA 70m rounds. Scores to be submitted to [sarah.smith@archerygb.org](mailto:sarah.smith@archerygb.org).
- 1.2 These scores can be submitted at any date between the dates above.
- 1.3 These scores must be obtained at WRS national, international and comparable events

- 1.5 It is the athlete's sole responsibility to ensure they register their scores and that those scores have been accepted
- 1.6 Archery GB also reserves the right to take into consideration other aspects, including athlete conduct and previous performances, when considering invitations to the selection process. It is not an athlete's right under any circumstances to be invited. Where other elements are taken into account, the athlete has a right to be given the explanation as well as a right to appeal.

**2. Performance Standards for Consideration to be Invited to the Selection Process**

Minimum performance standards have been set for Archery GB to allow athletes to qualify for the selection process.

As noted in 1.6 above, these scores **do not** constitute a minimum level for consideration for nomination or selection, **only** a minimum standard set for athletes to engage in the process.

The scores are based on GB being able to meet a performance target of a team/mixed medal at the 2020 Tokyo Olympic Games and thereby the requirement of having a strong level of scores across all members of the respective team/s.

Following an analysis of the 2019 World Championships, three tiers of scores are deemed eligible. These scores are as follows;

<b>Women</b>	<b>Men</b>
1x 663 or over	1x 678 or over
2x 655 or over	2x 673 or over

For the avoidance of doubt, any decisions made with regard to deselection made prior to DRM will still remain the sole responsibility of AGB. AGB shall at all times keep the BOA informed of any actual or potential deselection decisions.</li> </ul> <p>After the DRM, in the event of there being a query over the ability of an athlete to be able to compete to the best of his/her ability due to an injury or illness the following procedure will be adhered to:</p>
--	--

(i) the BOA Chief Medical Officer can require an athlete to undergo a medical examination to determine his/her fitness to participate which at this stage will be determined based on an assessment of whether or not the injury and/or illness is such that the player risks causing medical harm to him or herself, or endangering other competitors, officials or spectators. The BOA Chief Medical Officer will carry out this examination or another doctor delegated by him/her.

If the athlete fails the medical examination, he/she will be withdrawn from the Team.

(ii) if the athlete passes the medical examination carried out in accordance with (i) above but AGB and/or the BOA have concerns over whether or not the player is able to compete to the level ordinarily expected of them due to the underlying injury or illness, the Team GB Chef de Mission can require the athlete to undergo a set of pre-determined sports specific performance tests. Those tests will be agreed in advance following consultation with the Team Leader, a physiotherapist and the BOA's Deputy Chef de Mission for Performance.

## Performance – Appeals Policy (Appendix B)

These Guidelines do not replace the Archery GB (AGB) Disciplinary/Appeals Policy which will remain the overarching process with Performance related disciplinary matters and can replace this document should it be deemed necessary.

- A Team Member may appeal against a disciplinary decision or a sanction or both. Further details enclosed below.
- You may not appeal against any decision or sanction resulting from a Summary hearing.

The appeals policy for matters of selection concerns itself solely with the *process* of selection. It makes no provision for consideration of the *actual decisions* of the selection panel. In other words, an appeals panel specifically does not sit as a new, higher, selection panel and has no brief to assess the relative merits of athletes under consideration. Rather, the appeal considers only the criteria set out in the relevant sections below.

- All Team Members will be allowed to be **accompanied** at any hearing. If the Team Member is under 18 years of age then they must also be accompanied by a parent/legal guardian.

### 1. Appeals Procedure – Disciplinary – (Note that the BOA has its own disciplinary procedure during the Games)

- 1.1. It shall be open to both Archery GB and the Respondent to seek to appeal the disciplinary panel's decision. Appeals shall proceed as follows:
- 1.2. In the case of an appeal by the Respondent, a written Notice of Appeal shall be sent to the Archery GB Director of Sport within Seven days of the receipt of the written decision of the disciplinary outcome. Notification can be forwarded by post, hard copy in person or by email (if submitting your notification by email, then you must also call the Performance Office within working hours to make payment of the fee).
- 1.3. The Notice of Appeal shall summarise the grounds of appeal and why the Respondent considers that the disciplinary panel's decision was wrong. The Respondent shall also submit a fee of £150 to Archery GB, which shall be refunded if their appeal is successful but shall otherwise be forfeited towards the costs of the appeal.
- 1.4. In the case of an appeal by Archery GB the decision whether or not to appeal shall be taken by Archery GB. Should they decide to appeal, they will serve a Notice of Appeal on the Respondent within seven days of receipt of the written decision of the disciplinary panel. The Notice of Appeal shall summarise the grounds of appeal and why Archery GB considers that the disciplinary panel's decision was wrong.
- 1.5. In the case of any appeal, Archery GB will instruct Sport Resolutions (UK) to undertake the appeals process in accordance with Sport Resolutions (UK) Arbitration Rules. Archery GB and the Respondent will have the opportunity to object to the proposed member(s) of the tribunal (Ref 3), with any such objection to be ruled upon by Sport Resolutions (UK) or someone appointed to do so by them; Thereafter Archery GB will ensure that

Sport Resolutions (UK) is provided with the papers, a copy of the decision of the disciplinary panel and the Notice of Appeal.

- 1.6. Sport Resolutions (UK) shall set such further directions for the determination of the appeal as they consider fit, in order to ensure a fair and just disposal of the appeal at a hearing. The appeal shall ordinarily proceed by way of review of the disciplinary panel's decision, but may proceed by way of rehearing if either of the parties to the appeal so requests and Sport Resolutions (UK) considers it appropriate.
- 1.7. When determining the appeal, Sport Resolutions (UK) may uphold the decision of the disciplinary panel or may substitute its own decision for that of the disciplinary panel.

The parties shall bear their own costs of participating in any appeal.

## 2. Appeals Procedure – Selection

- 2.1. This document sets out Archery GB's Appeals Process for all appeals by an athlete in respect of:
  - international team selection decisions;
  - all decisions to nominate an athlete to the British Olympic or Paralympic Association for selection to compete at an Olympic or Paralympic Games;
  - decisions relating to the selection for an Archery GB team or training squad where there is no separate appeals process or review policy relating to the team or training squad in question;
  - any decision by Archery GB to deselect or remove an athlete from a team or training squad.
- 2.2. This appeals process is commenced when an athlete affected by a selection decision, or the athlete's authorised representative, submits a formal written appeal ("the Notice of Appeal") To the Director of Sport.
- 2.3. The Notice of Appeal must be submitted within 72 hours of the selection decision being announced or communicated to the athlete, whichever is earlier. Notification can be forwarded by post, hard copy in person or by email (if submitting your notification by email, then you must also call the Performance Office within working hours to make payment of the fee).
- 2.4. The Notice of Appeal shall summarise the grounds of appeal (Ref 2.5.) and why the Respondent considers that the appropriate process or procedure has not been followed. The Respondent shall also submit a fee of £150 to Archery GB, which shall be refunded if their appeal is successful but shall otherwise be forfeited towards the costs of the appeal.
- 2.5. An athlete may appeal against a selection decision falling within one of the categories above only on the grounds that:
  - (a) there has been a failure to apply the applicable selection criteria; and/or that
  - (b) there has been a failure to adhere to the procedure set out in the applicable Selection Policy.

Any appeals which do not satisfy the grounds of appeals below, will be dismissed automatically by the Director of Sport, who may also seek further independent advice from other National Governing Bodies and/or Funding Partners on the matter prior to any dismissal.

- 2.6. In a case where it is deemed there are grounds for appeal, Archery GB will instruct Sport Resolutions (UK) to manage the appeal process in accordance with Sport Resolutions (UK) Arbitration Rules. Sport Resolutions (UK) shall appoint a single arbitrator drawn

from the Sport Resolutions (UK) Panel of Arbitrators (“the Arbitrator) to consider the appeal.

- 2.7. Sport Resolutions (UK) shall notify Archery GB and the Appellant in writing of the identity of the Arbitrator within two working days of receiving the Notice of Appeal.
- 2.8. A party may challenge the appointment of the arbitrator(s) where there are justifiable doubts as to the Arbitrator(s) impartiality or independence or where the party raises a material objection. Such challenge must be made in writing to Sport Resolutions (UK) within two working days of the party being notified of the Arbitrator’s appointment.
- 2.9. Unless the Arbitrator elects to withdraw, Sport Resolutions (UK) shall decide on the validity of the challenge within two working days.
- 2.10. The Appeal shall be heard by way of written submissions unless the Appellant requests an oral hearing at the time of giving Notice of Appeal or the Arbitrator so directs. Such hearings shall take place on a date and at a place to be determined by the Arbitrator.
- 2.11. The decision of the Arbitrator shall be final and binding on the parties, and there shall be no further right of appeal.
- 2.12. The Arbitrator shall be entitled to:
  - (a) Confirm the nomination decision under appeal and reject the Appeal; or
  - (b) Allow the Appeal and quash the nomination decision under appeal and remit the matter back to the original decision maker identifying the errors they have identified in the conduct of the selection process and requesting that a new decision is made within 48 hours.
- 2.13. The parties shall bear their own costs of participating in any appeal.

**Ref 3.** Any disciplinary dispute submitted to Sports Resolutions (UK) shall be decided by a one or three member tribunal (“the tribunal”) appointed by the Executive Director of Sport Resolutions (UK) unless the parties have otherwise agreed in writing (within any timescale notified by the Executive Director of Sport Resolutions (UK)) that they wish to make their respective nomination(s) in accordance of 6.2 or 6.3 of Sport Resolutions’ Arbitration Rules

The Executive Director of Sport Resolutions (UK) shall decide whether to appoint one or three member tribunal as he/she sees appropriate in all the circumstances and in discussion with the parties unless the parties have agreed in writing whether the tribunal should consist of one or three members.
