Milestone Event Performance Target/s	<p>1-4 medals at World Field Championships</p>																
Context and Purpose of Championship selection	<p>Selection is made in line with competitive performance standards in the international arena. AGB will only select athletes who can demonstrate they can be competitive and/or contribute to our objectives of medal winning success and as such the selection scores are based on previous achievements at International tournaments of similar standing to this event</p> <p>The Performance Director, will consider only athletes deemed to be competitive at this level, and may elect to take fewer than the maximum permitted athletes.</p>																
Timetable	<p>Selection Score Window 1st June 2021 – 31st May 2022</p>																
Selection	<p>Archers wishing to be considered for the GB & NI Field Teams for 2022 will be required to complete a minimum of 3 shoots in the period between the end of the 2021 All British & Open Championship and 31st May 2022, when the UK Team for the World Field Archery Championships will be selected.</p> <p>Scores from completed one-day or two-day tournaments will be considered. Combined rounds, single or double Mixed rounds and Marked rounds of 24 individual targets per day will be considered provided they have British Record Status and are shot in accordance with WA Book 2, 4.5.3.4.1 and 4.5.3.1 (without walk-ups, fans or optional pegs).</p> <p>To be used for selection purposes all Mixed rounds must have a minimum of 9 changed targets for the second day of shooting. That is, on the second day of shooting a minimum of 9 targets must be altered by moving the target or shooting peg or by changing the target face. Tournament organisers and judges will monitor this.</p>																

For the avoidance of doubt, rounds of 12 targets, shot twice in a day, will not be considered.

1 day marked round scores must have been shot at a tournament where the archer has only entered the marked round (not attended for previous day unmarked round).

An archer who starts but does not complete the first day of a two-day tournament will be deemed to have shot on the first day.

1 day mixed round scores must have been shot at a 1 day tournament or on the first day of any 2 day mixed round tournament.

To be considered for selection an archer must have shot at least one score at a combined tournament or a mixed round tournament which involve unmarked targets.

Combined round scores must have been shot on courses where the Unmarked round is shot on day one, the Marked round is shot on day two.

In addition to Record Status combined, mixed or marked tournaments within the United Kingdom, the selectors will consider a maximum of two scores from tournaments outside Great Britain and Northern Ireland, provided that these are shot at two-day WA 24 Arrowhead Status events. For tournaments outside the United Kingdom, it is the responsibility of the individual archer to supply an official result sheet to the selectors. Scores shot outside the United Kingdom after 24th May 2022 will not be considered for selection.

Scores from major international championships, e.g. European and World Championships and World Games, will be accepted without proof of individual archer's scores. Archers gaining individual medals in the previous year's major international championships will automatically be considered for selection in 2022, provided they remain active field archers. Archers involved in Great Britain Target Teams during 2021/2022 may be considered without the minimum number of scores, provided they can demonstrate their commitment to field archery and show good reason why they are unable to provide the required number of qualification scores.

To be considered for selection for this event, all athletes must provide evidence of the following World Class scores achieved at verified national or international competitions.

3 scores equal to or greater than:

	Barebow	Compound	Recurve

Archers must shoot at least one score in the second selection period between 1st January 2022 and the end of the qualification period.

Even where archers have lower aggregate scores over the two selection periods, preference may be shown to those with demonstrably superior performance during 2022 or a better record in tournaments where individuals competing for selection in a particular category have shot against each other.</p> <p>Junior archers wishing to be considered are not required to meet the adult qualifying criteria, but would be expected to shoot at least three scores at, or close to, those in the table below</p> <p>A minimum of 3 scores equal to or greater than:</p> <table border="1" data-bbox="411 875 1406 1272"> <thead> <tr> <th></th> <th>Barebow</th> <th>Compound</th> <th>Recurve</th> </tr> </thead> <tbody> <tr> <td>Junior Men</td> <td> 2 day Combined - 526 1 day Marked - 1 day Mixed - 263 2 day Mixed - 526 </td> <td> 2 day Combined - 778 1 day Marked - 1 day Mixed - 389 2 day Mixed - 778 </td> <td> 2 day Combined - 650 1 day Marked - 1 day Mixed - 325 2 day Mixed - 650 </td> </tr> <tr> <td>Junior Women</td> <td> 2 day Combined - 484 1 day Marked - 1 day Mixed - 242 2 day Mixed - 484 </td> <td> 2 day Combined - 702 1 day Marked - 1 day Mixed - 351 2 day Mixed - 702 </td> <td> 2 day Combined - 552 1 day Marked - 1 day Mixed - 276 2 day Mixed - 552 </td> </tr> </tbody> </table> <p>In the event that no archers reach the qualifying standard in a particular discipline or division, the selectors may offer a place to the highest placed archer in that discipline in order to ensure team representation.
